

STARTING A BUSINESS IN KANSAS

Making the decision to start a business is both exciting and challenging. The Kansas Department of Commerce's First Stop Clearinghouse has created a comprehensive guide to entrepreneurship – *Steps to Success – A Resource Guide to Starting a Business in Kansas*

This 185-plus page publication answers many common questions asked by people who are interested in starting a business or expanding an existing one.

The guide includes:

- Steps to starting a new business
- Licensing and registration requirements
- Business assistance program information
- State and federal tax requirements
- Employer requirements and issues
- Online registration resources

The resource can be purchased in two different formats for your convenience – a printed book (**\$5.00** each) and a CD-ROM (**\$3.50** each).

The *Steps to Success* book can also be accessed **FREE** of charge from Commerce's web site: www.kansascommerce.com, by entering **ConnectCode: STEPS**

For more information about *Steps to Success* or for assistance with starting or expanding your business, contact:
