Commissioner Braddock called the Meeting to order at 9:15 a.m. with four Commissioners present.

Commissioner Schmidt moved to adopt the Agenda as printed. Commissioner Braddock seconded the Motion and it was unanimously approved.

The Commissioners and Melissa Wilson and John Armstrong of the Syracuse Pool Committee discussed their concerns regarding compaction at the swimming pool renovation site with Don Paddock of Paddock Enterprises. Mr. Paddock presented a Laboratory Compaction Characteristics of Soil done by Terracon of Garden City, Kansas, for the Commissioners' review. These tests were done on March 23, 2007 and showed good compaction on the final tests.

The Commissioners, Clerk, John Armstrong, and Don Paddock then went to the swimming pool site for a physical inspection of the site.

As there was no more business to come before the meeting, Commissioner Braddock moved for adjournment. Commissioner Schwieterman seconded and the meeting was adjourned at 9:55 a.m.
